

Come and Learn: Schedule a visit to a Burke & Herbert Bank Branch

Burke & Herbert Bank loves kids! We enjoy the opportunity to have children, through their school or youth group, visit our bank and learn about the role of a community bank, saving and borrowing money and more. With over 20 banking locations conveniently located in Northern Virginia, we welcome the chance to have students visit. Runyon, our fun parrot mascot, is often on hand to meet the children!

As part of the visit students will:

- ☺ Learn what a bank does and about currency;
- ☺ Meet our team and learn about their jobs;
- ☺ See how customers use a bank's services;
- ☺ Learn about how money is deposited and processed and how banks lend money;
- ☺ Discover more about the history of Burke & Herbert Bank — the area's oldest bank.
